Book of "Sung Dynasty Ceramic Art " sans photographic examples Or illustrations...What's the Point !?By john alaska Avoid this book at all cost unless you are visually impaired or enjoy academic books on audio. Sung Dynasty Pottery are renown for its purity in form and exquisite color palette. Aside from the four tiny examples on the front cover, there is not a single picture or illustration...just dry academic

descriptions of the most beautiful pots in the world; It's like trying to describe the wonders of a rainbow to a blind man.

'A History of Song Dynasty Ceramics' explores the range of ceramics produced in China and in its conquered territories from the middle of the 10th to the latter parts of the 13th centuries.
