4 of 4 people found the following review helpful. Very interesting and unique picturesBy LindenVery interesting and unique pictures. It was great pleasure to color them! To give you more info, here are some of my favorites:0 of 0 people found the following review helpful. Too tedious to color was my original reactionBy Pris CampbellThe spaces for color are miniscule. The creator of the coloring book wrote to say that the small spaces are meant to create a pattern under coloring a larger area. That makes it MUCH easier. Samples of one colored didn't show this.The women are beautiful.1 of 1 people found the following review helpful. Nice beautiful picturesBy CustomerBought this so I can color with my kids. Nice beautiful pictures. Decent size. Fast delivery. Product as described and in pictures. I'm very satisfied with my purchase and this company.

This book is different from previous books by Bella Stitt - popular author of coloring books. Instead of her abstract drawings of paisley and flowers, this book has beautiful images of women and their final magical appearance will depend on the way you choose to color them. Drawings of women come in doubles, making it possible for you to experiment and see how different color choices will change the final look of the picture. Also, throughout this interesting book, you will find some beautifully framed empowering messages . Certified cognitive therapist Bella Stitt develops her coloring books for relieving stress and anxiety from everyday life. As a result of coloring, you will be able to feel physically and mentally more relaxed and at ease.
