With it being a kindle book it has a download link in it so I can print out the hard copies to color. I love all of the details to color. It will keep me busy for hours on end.0 of 0 people found the following review helpful. Two StarsBy Adrienne Handdidnt really care for this one1 of 1 people found the following review helpful. Art Books = Ads...SHOW Designs BEFORE We Buy #371...By classicsGGmaArt Books = Ads for the print version of their coloring books. No download and no print for coloring. What good are they to Kindle

owners...None. There is nothing advanced about the samples shown in this Kindle "Art Book". When we buy coloring books in stores we can look inside to see if we like the designs and check for designs we already have. WHY Not Here On ??

IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Coloring is a form of self-expression. You get to choose the colors you want to use or the techniques you want to employ. After all, it is your coloring book so it really doesn't matter what anybody else thinks of your 'artwork'.
