I haven't tried to make the soap yet but its really fun just to read the book. I m pretty excited to do this with my girlfriends.1 of 1 people found the following review helpful. First of all I love the book coverBy Emma WhiteFirst of all I love the book cover. It is so lovely. And the book also. My skin has so many problem, I am allergy of so many things and these soap include just naturale things and whitamines for the skin! I just use this kind of soaps and I thought I also wouls like to try out how can I make by myself. Great book! :)1 of 1 people found the following review helpful. Perfect for the one that wants NaturalBy OeziYou will love this book as reference and for making wonderful soaps out of natural ingredients. You'll find a big

collection of homemade soap.
