These would make a wonderful birthday or Christmas present, and are not difficult. As always, you can't go wrong with Kooler designs. 0 of 0 people found the following review helpful. Help wanted By A.J Niyah I loved cross stitch. When I open my package and my mon saw the book she grab it right away thinking it was crochet but I'm glad cause now I have a book she can't use 0 of 0 people found the following review helpful. Re: Hymns Book #3 By C. Morgan I have made pictures out of each of the previous 2 books and will make some out of this one. The pictures are beautiful and the instructions and patterns are easy to follow.

Believers throughout the ages have felt the glorious presence of the Creator as they lift their voices in songs of worship, contrition, and awe. It is the anticipation of that sweet union that inspired authors and musicians to pen the moving stanzas and rousing refrains of these 12 beloved hymns. Each is carefully charted for cross stitch and presented with the story behind the song's creation. The songs are We Gather Together; Have Thine Own Way Lord; Go, Tell It on the Mountain; All Things Bright and Beautiful; His Eye Is on the Sparrow; I Need Thee Every Hour; Joyful, Joyful, We Adore Thee; My Hope Is Built; Sing Them Over Again to Me; This Is My Father's World; Tis So Sweet to Trust in Jesus; and When We Walk with the Lord.
