Kooler Design Studio : America's Best Loved Hymns in Cross Stitch (Leisure Arts #2744) before purchasing it in order to gage whether or not it would be worth my time, and all praised America's Best Loved Hymns in Cross Stitch (Leisure Arts #2744):

They should have listed which were in the book, I don't even know all these hymns. Okay that's not exactly what I meant, I know them, but I would never work on as a crosstitch. Several of these will not be used in the book at all. I'm sure I'm not the only one who would have probably bought this, anyway, just for a few that will be great. It's just disappointing they didn't use more classic hymns.3 of 3 people found the following review helpful. I know that was years ago, but that meant it was that old also used.0 of 0 people found the following review helpful. Five StarsBy mattie brownits was a grate find
