About the AuthorIlaria Caliri loves beautiful yarns, each ball inspires her to design a new project for little ones and grown-ups. Amigurumi are her greatest love, and she likes to design personal softies that combine interesting

constructions and the joy of making. Since 2010 she shares what she does on her blog, a little wonderland where anyone can find inspiration. Following the huge success of her book *Amigurumi Winter Wonderland*, Ilaria created more adorable critters to crochet in this highly anticipated second book.
