**Deanna Hall West : An Encyclopedia of Ribbon Embroidery Flowers: 121 Designs (American School of Needlework, No. 3405)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Encyclopedia of Ribbon Embroidery Flowers: 121 Designs (American School of Needlework, No. 3405):

0 of 0 people found the following review helpful. Beautiful book.By Kimberly PattersonReceived this in a timely manner, and it's a lovely book. The illustrations are clear, and the instructions are very understandable. I took a class and did silk ribbon embroidery many years ago. I have always wanted to learn more stitches and embellish projects and clothing with it. Now off to purchase the necessary project items, ribbons, floss, thread, needles, fabric, etc needed.0 of 0 people found the following review helpful. Great Book!By Teresa SirmonLooks to be a great addition to my ribbon "Library"0 of 1 people found the following review helpful. Decent for what it is, not fantastic.By R. PaintonThis (and several other books by the same author) was purchased to give me a start on ribbon embroidery. I suppose it does, and the author does have some interesting ideas. BUT...This author is a crafter, NOT an artist. None of these books show any artistry in the construction of the flowers - they're literally just 'use this stitch in roughly that direction to make a ". And yes, they include some of the basic instructions, which can be helpful. But the meat of the book is missing. This is a coloring book for ribbon embroiderers. I was looking for more.So, while ok, I wan't

completely thrilled with them. This says nothing, btw, about the company (ies) I ordered from - all of them were perfectly capable and delivered as promised, in the condition promised. I was just a little disappointed that the books didn't have more beef, so to speak.

Publisher: American School of Needlework Book Nbr:3405 Year: 1995 Artist: Deanna Hall West Medium Condition: New 121 beautiful Ribbon Embroidery flower designs. 59-page paperback book. Also includes garden critters like ants, bees, butterflies, dragonflies, inchworm, ladybugs and snail.
