Best book for pottery in the holy land I wish ...By SinanBest book for pottery in the holy landI wish that the book have also the roman potteryA+ a+ a+4 of 5 people found the following review helpful. Ancient Pottery of The Holy Land. Ruth AmiranBy Bunclody SenatorA great book for its time. It needs to be brought up to date. Also, each page needs a sub-title so one knows if the examples are Late Bronze, or Middle Bronze, etc. Worth purchasing for those with an interest in pottery from Israel, etc., from 6,000 to 2,500 years ago.
