Some plants are in pots and others are not. The charts are in a variety of sizes. No finished size given since it will depend on your cloth thread count. Stitched samples in front of the book. A wide variety of flowers and plants including cactus and vegetables.0 of 0 people found the following review helpful. Five StarsBy ccjvery nice patterns, great assortment, very pleased with this book2 of 2

people found the following review helpful. Pretty and easyBy HollyI bought this to I would not have to keep going back to pinterest. I like to incorporate old school flower patterns with new music lyrics and movie punch lines. The patterns are beautiful but the letters aren't together so I gave it a 4 out of 5

Each title in the Cross Stitch Motif series contains dozens of themed borders, small and large images, and samplers to inspire an endless array of stitching projects.
