There were quite a variety of pictures, but also in varying sizes. I needed some smaller patterns to fit onto the 3 inch panel on the bib. I was quite pleased that there were a number for that size to choose from.0 of 0 people found the following review helpful. Book is in great condition. Great for any cross stitch libraryBy Lisa MotonI love all the books Maria Diaz does. She makes super cross

stitch designs, easy, simple, and quick. This one for kids has really cute designs. Highly recommend it for anyone's cross stitch library

Each title in the Cross Stitch Motif series contains dozens of themed borders, small and large images, and samplers to inspire an endless array of stitching projects. Easy-to-follow color charts and a color pattern key for each page make each book a useful addition to every design library. To commemorate a happy arrival and alphabets to create beautiful name plates, this book's beautiful samplers are perfect for a new baby gift. There are great ideas for both boys and girls, from cuddly teddy bears to colorful dinosaurs, and the patterns for these adorable motifs add charm to personal gifts and decorations for the nursery.
