There is an Eastern sampler with the wonderful colors and influence of India, some Chinese Proverbs with gorgeous backgrounds, cat philosophy, country home, wedding pattern, teen stuff, and just plain silly stuff. Lots more. Joan's artwork is colorful and vibrant and beautiful to stitch. Already finished a couple of smaller projects. SOOOO glad I purchased this book!0 of 0 people found the following review helpful. Five StarsBy Ady1027Loved it.0 of 0 people found the following review helpful. Five StarsBy Amylove it
