However I found out I needed to do one for a project for my son and this is perfect. The patterns are easy to follow and the colors are vivid. It was shipped quickly and arrived well before I expected it. Good job. And I am actually excited to stitch. 2 of 2 people found the following review helpful. Superheroes By Patricia Reilly I needed small patterns I found what I wanted for superman batman. Had to make my own pattern for spiderman, but it came out pretty good. 0 of 0 people found the following review helpful. Five Stars By Renee Cote awesome Love it
