Rice Freeman-Zachery : Destination Creativity: The Life-Altering Journey of the Art Retreat before purchasing it in order to gauge whether or not it would be worth my time, and all praised Destination Creativity: The Life-Altering Journey of the Art Retreat:

0 of 0 people found the following review helpful. this is a great way to get your questions answered By michelangelo If you've ever wondered if attending an Art Retreat is for you, this is a great way to get your questions answered. The author knows what she's taking about. 0 of 0 people found the following review helpful. A good read By Perf I was expecting more of an actual review of different workshops; this reads more like a diary. Interesting but not as informative as someone who has never participated in workshops might have liked. It was nice to know who Rice Freeman-Zachery met, who she likes, but more information about each instructor and their work with photos would have been great. Also, a photo of the finished necklace project would help explain the project, like the centipede project. And photo captions . . . That said, I was glad to get the history of the different workshops and the information regarding the venues. Rice did a great job of conveying her excitement and joy at being able to do the research for the book. Sounded like a lot of fun. 2 of 2 people found the following review helpful. Inspirational By Kindle Customer After a shipping glitch, which was swiftly and graciously handled by 's customer service, I finally received my copy of Destination Creativity. It was a delight. It was fascinating to get a peek into so many of the great art retreats that are held around the country. It's a lively look at the hard-working people who create and produce these conventions, the teachers, and the interesting folks that attend. The tips on making the most of one's retreat experience

were insightful and often amusing. I've been a long time follower of Rice, and to get a whole afternoon's reading pleasure, following her year long adventure was priceless.

Experience art retreats without leaving your home! There's a community of passionate, creative souls looking to connect, and the art retreat is where it happens. In *Destination Creativity*, Ric Freeman-Zachery brings the life-altering journey of the art retreat from venues all across the country straight into your hands and the comfort of your favorite chair. Maybe you've heard about the many different places you can go to take art workshops from a variety of talented artistic instructors, but you haven't been sure which retreat experience is right for you. Ric has done your homework! From Port Townsend, Washington's Artfest to Hampton, Virginia's Art Soul, from rural Wisconsin to the strip of Las Vegas, from beads to quilts to painting with your hands, she has the inside scoop for you in *Destination Creativity* and a first-hand account of nine inspiring art retreats. Take five workshops right alongside Ric with step-by-step instruction and a glimpse into the actual classroom experience. Hear from a variety of attendees creative types just like you what it is that drew them to attend their chosen event and be inspired by their life-changing stories. See what the retreats actually look like with plenty of atmospheric photos taken by Ric's favorite sidekick, Earl Zachery. Discover ideas for hosting creative get-togethers in your own hometown including naming your retreat, picking a venue and planning meals. *Destination Creativity* is your chance to see what all of the buzz is about. Pull up a chair and take the journey.

About the Author Ric Freeman-Zachery is an artist and writer whose clothes, dolls and jewelry have been featured in shops and galleries in New Orleans, Taos, Albuquerque, Tacoma and Seattle, and whose art has been featured in Lynne Perrella's *Artists' Journals Sketchbooks* and Terry Taylor's *Altered Art*. She writes artist profiles for *Art Doll Quarterly*, *Belle Armoire*, *Legacy*, *Somerset Life* and *Somerset Studio*, and her two books, *Stamp Artistry* (Quarry, Nov. '03) and *New Techniques for Wearable Art* (Quarry, Sept. '04), feature her own art and that of other mixed-media artists.
