This is a good book to have in my cross stitch libraryBy FigsThis is a good book to have in my cross stitch library. Although, many of the patterns are a bit out of date in terms of what is fashionable today they can easily be changed. For example, I found some towels in my cache that I had forgotten. I used one of the snowflake patterns in one color (red) and took some wording from another and I got the cutest design. I also, took a pumpkin from one design and stitched it on some placemats and I got new look for some old placemats. The trick is to look at these old designs with new eyes.0 of 0 people found the following review helpful. Five StarsBy CustomerLove

Donna Kooler's work!! Will work well in gifts, Gift tags, cards. Small quick to work up.

Make a complete sampler, or choose from hundreds of adorable elements to adorn pillows, ornaments, bags, and more. Stitch winter wonders like an old-fashioned sleigh. Get spring fever by embroidering flowers, birds, and butterflies. Enjoy the Summer Daze with sunflowers and sunbeams blossoming on cloth. And theres an autumn harvest of ideas.
