Classically styled complete wardrobe basics, no convoluted full sized patterns but scaled on grid (One can reproduce and enlarge manually or digitally), and minimim techniques (Way too redundant!) I absolutely love it! And the smaller scaled, light weight, and color of the book is wonderful! Thank You!0 of 0 people found the following review helpful. Really great book!By CustomerReally great photos. One of the clearest easy to understand sewing books I have found.0 of 0 people found the following review helpful.
