Richard K. Lindquist PhD, Charles C. Powell PhD : El manejo integrado de los insectos, caros, y enfermedades en los cultivos ornamentales (Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised El manejo integrado de los insectos, caros, y enfermedades en los cultivos

ornamentales (Spanish Edition):

A presentation of the major pests and diseases found in floriculture crops and how to combat them, this work provides an integrated approach to controlling these problems to produce high-quality crops through pesticide use, cultivation practices, and biological controls.

Language NotesText: SpanishAbout the AuthorCharles C. Powell, Ph.D., is a former professor at the Ohio State University and is a consultant in the floriculture industry. Richard K. Lindquist, Ph.D., is a former professor at the Ohio State University and now works for Olympic Chemical Company.
