From 3DTotal Publishing : Master Your 3D Pen: Tips, Techniques, and Inspiration for 3D Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Master Your 3D Pen: Tips, Techniques, and Inspiration for 3D Designs:

The 3D-printing pen is the newest tool out there for creating 3D drawings, impressive art, jewelry, sculpture, and housewares. Master Your 3D Pen aims to be the forerunner guide for artists, crafters, hobbyists, children, parents, and anyone with an artistic flair to make the most of this exciting new tool. Featuring techniques for getting to know your pen, working with templates, working in 3D, and layering and mixing colors with comprehensive project guides, exercises, and helpful templates look no further for your 3D-printing pen inspiration.

About the Author 3Dtotal Publishing 3Dtotal was founded in 1999 as a simple 3D resource website. Over the last decade the site has evolved into one of the premier CG art websites in the world, offering a variety of training products, an inspirational gallery, a free texture library and hundreds of free tutorials on a variety of subjects. In 2006, 3Dtotal entered into partnership with Focal Press and launched the popular book series Digital Art Masters and Digital Painting Techniques. The premise for these books was to provide high-quality content that would inspire and educate the next generation of digital artists. Featuring the work of top industry professionals, detailed tutorials and image breakdowns, these series have become firmly established as indispensable resources for every digital artist. After five successful years working with Focal Press, 3Dtotal Publishing was launched in early 2010. As well as self-publishing the next volumes in the pre-existing Digital Art Masters and Digital Painting Techniques series, 3Dtotal Publishing has launched a number of new titles including: Sketching from the Imagination: Fantasy, the Beginner's Guide to Digital Painting in Photoshop Elements and the successful Kickstarter campaign, Sketch Workshop.
