Jana Ewy : Metal Mesh Wire 101 before purchasing it in order to gage whether or not it would be worth my time, and all praised Metal Mesh Wire 101:

0 of 1 people found the following review helpful. never got it.By Victoriah HallI order a lot of art books, this seems to have gotten lost in th shuffle! What I did get was an empty sealed package. The sealed package went out without anything in it!!!!

Using a few simple tools, you can make dozens of dazzling projects!

About the AuthorJana Ewy is a designer, demonstrator and product developer for the American Art Clay Company. She is a frequent contributor to popular craft magazines and a guest on craft television shows.
