All of the information which one ...By Marty BeljeanA comprehensive guide.All of the information which one needs to start small scale projects in 1/12thscale. Marty Beljean1 of 1 people found the following review helpful. A fab book for beginnersBy sasthe book is exactly what I was looking for, it is very detailed for a beginner like myself.I recommend this book for anyone who wants to do miniature embroidery.0 of 0 people found the following review helpful. StunningBy BellinaThese projects are all absolutely fantastic. The charts are easy to read and understand, and there are several pages of descriptions of various stitches used for the projects. Highly recommended!

Following the huge success of her Miniature Embroidered Patchwork: Projects in 1/12 Scale, Margaret Major presents

a comprehensive introduction to the exquisite art of miniature embroidery. She teaches an assortment of techniques the tent stitch, Florentine work, Rhodes stitch, and half-cross stitch that anyone can learn with the help of more than 200 close-up color photographs and diagrams. Simply follow the provided patterns to produce incredible 1/12th scale reproductions of furniture, rugs, pillows, and intricate decorative objects. The 30 projects, grouped for beginners, intermediates, and advanced, encompass miniature bed covers, colorful hall runners, a fireplace screen, a hanging tapestry, and more.
