It looks like a child drew them. I am half tempted to return them, but it doesn't seem worth it. The paper quality is terrible and pictures are printed on both sides of the page. I bought two other books by this same artist at the same time and they are horrible too. Save your money and skip this!

Enter my world and colour yourself into relaxation. Sit back and enjoy the world around us. Smell the flowers and drift away into the ultimate zen state. Nature is our world to enjoy, let's keep it peaceful.
