2 of 2 people found the following review helpful. I loved it! By C. SAUNDERSSo many different necklaces to design. Great directions. Easy to follow and step by step you will teach yourself how to make so many amazing necklaces. At the bottom of the page each design tells you how to make the most important part of the necklace. Whether it be to learn how to open and close jump rings or making wrapped loops this book will show you everything above and beyond this. 3 of 3 people found the following review helpful. Styles Are Just Beautiful! By deedeThe designs are gorgeous and make you look outstanding in every way. You never get tired of wearing the different earrings and will be noticed. Also it helps your mind a lot you may never grow old and can always make money regardless of your age, not the same as being a model. 0 of 0 people found the following review helpful.
