Brandon Drucker : Ninja Kubbies: The Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Ninja Kubbies: The Coloring Book:

The Ninja Kubbies Coloring Book is based on the characters from the Amazing Ninja Kubbies, a graphic novel written and illustedated by Brandon Drucker. The Ninja Kubbies are the superhero creatures evolved from a spider, then morphing into a lizard and eventual into the spider monkey shape. Each sketch is created by Brandon Drucker, an artist with autism. The sketches contain the Ninja Kubbies fighting monsters and villians, as well as traveling to foreign countries.

About the AuthorBrandon Drucker is an artist/author living with autism. His writing depicts the struggles he encounters with the written and spoken language. As an artist, he maintains his gallery in Fort Lauderdale, Florida and

is the founding member of Artists With Autism, Inc, a not for profit organization helping aspiring artists with autism spectrum to learn how to become independent, self-employed artists.
