Barbara Ellis : Taylor's Weekend Gardening Guide to Safe and Easy Lawn Care: The Complete Guide to Organic, Low-Maintenance Lawns (Taylor's Weekend Gardening Guides (Houghton Mifflin)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taylor's Weekend Gardening Guide to Safe and Easy Lawn Care: The Complete Guide to Organic, Low-Maintenance Lawns (Taylor's Weekend Gardening Guides (Houghton Mifflin)):

From the original TAYLOR'S ENCYCLOPEDIA OF GARDENING, published in 1936, to the current best-selling Taylor's Master Guide to Gardening, the Taylor name has stood for the very best information available to American gardeners. Now this all-new series extends the market to new gardeners (and new garden-book buyers). Like the other best-selling members of the Taylor's Guide family, Taylor's Weekend Gardening Guides including: Safe and Easy Lawn Care; Window Boxes; Organic Pest and Disease Control; and Birds and Butterflies; offer the exceptionally high standards of excellence that gardeners have come to rely on. The Weekend Gardening Guides are designed for gardeners who are looking for practical information on specific topics from a source they can trust. Attractively priced and beautifully illustrated with more than 50 full-color photos and helpful color drawings, each Taylor's Weekend Gardening Guide is written by a popular, respected, and nationally known gardening expert.
