Item as described, well-packaged, and promptly shipped. THANKS!  
0 of 0 people found the following review helpful. this is an easy read and very informative  
By Anakei  
This is a charming and informative book, and I believe the principles still stand today as they did then. Although written 150 years ago, this is an easy read and very informative. I recommend it.

Interesting and knowledgeable reading if you're into gardening or farming or both.

Edmund Morris' 1864 work describes his experiences as a new farmer who aimed to maintain his large family on a small farm.

About the Author  
Edmund Morris is the author of *The Rise of Theodore Roosevelt* (Pulitzer Prize and National Book Award, 1980), *Dutch: A Memoir of Ronald Reagan* (1999), and *Theodore Rex* (Los Angeles Times Book Prize, 2002). A pianist and private scholar of music, he has been studying Beethoven for a half century.
