## Jim Law : The Backyard Vintner: An Enthusiast's Guide to Growing Grapes and Making Wine at Home

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Backyard Vintner: An Enthusiast's Guide to Growing Grapes and Making Wine at Home:

4 of 4 people found the following review helpful. Wonderful well illustrated coffe table book. By Lloyd This book is impressive from the moment you open it. Beautiful big full color photos and multiple illustration and diagrams. Written by professionals with many insightful details, examples and enthusiastic step by step instructions. After reading the first half- (The grape growing half) I believe I have enough information to select plants and grow a wonderful vineyard specific for my land and produce tons of fruit. The second half I may read later but I'm not very interested in producing wine. I'm sure it is just as detailed and informative . I believe this book is the one you must have if you are beginning or need to up grade you vineyard It appears to have plenty of information in a clear and easy

to read format that would benefit the experienced farmers as well. 0 of 0 people found the following review helpful. This was a gift for my friend and I hope ...By EmaThis was a gift for my friend and I hope it was helpful and anyone starting to do this needs all the help they can get!!! 0 of 0 people found the following review helpful. He is getting better with time - just like fine wineBy LindaGave it to my husband since we have started growing grapes. He is getting better with time - just like fine wine.

Welcome to your own personal wine country, where you will discover recipes and techniques for making and evaluating fine red, white, and rose wines from one of America's finest winemakers. This accessible guide teaches new and advanced enthusiasts how to select, grow, and harvest grapes that are suited to the different regions around the country, and then, how to make authentic artisan wine from them. If you've ever wanted to make homemade wine but never thought you had the space or ability to make it, you will love this book. The Backyard Vintner is a handy guide to at-home winemaking that teaches the readers the tips and tricks of the trade. With inspiring full-color photographs and step-by-step illustrations, this hardcover reference guide also provides recipes and techniques for making and evaluating fine red, white, and rose wines. The Backyard Vintner teaches you how to start and maintain a vineyard, and provides vital information on topics like planting, trellising, and pruning grapes. With chapters on planting and caring for your grapes, picking, fermenting, fine-tuning the elevage, and bottling your wine, this is a comprehensive guide for do-it-yourself enthusiasts.

About the Author Jim Law is the award winning, small batch vintner and owner of Linden Vineyards in Linden, Virginia, where he lives, grows grapes, writes, lectures, and teaches classes on wine making.
