Ken Norman : The Bonsai Handbook: A Complete Guide To The Techniques, Design, Care And Cultivation Of Miniature Trees And Shrubs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bonsai Handbook: A Complete Guide To The Techniques, Design, Care And Cultivation Of Miniature Trees And Shrubs:

0 of 0 people found the following review helpful. This is a beautiful and informative book.By TimThis is a beautiful and informative book. As a first-time Bonsai enthusiast, I'm excited to learn and do more - as a result of this book.

How to choose the most suitable plants for bonsai, with step-by-step instructions on techniques such as propagating,

pruning, wiring and defoliating.

About the Author Ken Norman has been growing bonsai for 45 years and is a past Chairman of both the Federation of British Bonsai Societies (FOBBS) and the Friends of the National Bonsai Collection (FNBC). He is also a founder member, past Chairman and current President of the Sussex Bonsai Group, Vice President of the Wessex Bonsai Society and has been involved in organizing national and international bonsai conventions. He is a member of the Royal Horticultural Society's Woody Plant Committee and with his wife exhibit their bonsai at major flower shows and have been awarded six Gold Medals at the world famous Chelsea Flower Show. Ken is a highly respected bonsai artist who lectures and demonstrates the culture and art of bonsai throughout the UK.
