DK : The Complete Gardener's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Gardener's Guide:

0 of 0 people found the following review helpful. Gift for my wifeBy E.J. MackBought this for my wife and she loves it.1 of 1 people found the following review helpful. Well written gardening bookBy CustomerExcellent book, has been very useful when planning our garden this year. Look forward to using it many times.1 of 1 people found the following review helpful. Gift that was well receivedBy hybishGood book for the basics. Given as a gift and it is used all the time. May be too basic for the advanced Gardener though.

Containing all the practical techniques, inspirational ideas, and problem-solving advice you need to make and maintain a garden of any size, The Complete Gardener's Guide is a new, one-stop manual for both beginner and more experienced gardeners. More than 1,000 photographs illustrate every aspect of practical gardening from basic techniques and simple tools to get started, to planning and design advise to help you create the garden you want and DK's unrivaled integration of text and pictures means that you can instantly see, as well as learn, what to do.

"[S]ubtitled 'Everything You Need to Know to Create and Care for Your Garden' is just that answers for everything, on an encyclopedic scale." Martha's Vineyard Times
