Robin Williams : The Garden Designer (Royal Horticultural Society) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Garden Designer (Royal Horticultural Society):

0 of 0 people found the following review helpful. Great Seller! By LJ Interesting vintage booklet. Great Seller !!! 0 of 0 people found the following review helpful. Perfect! By Eastern shore shopper Like all Robin Williams garden books - perfect for any garden design - big or small! The price is great!

In this classic design and style sourcebook Robin Williams shows you how to make beautiful gardens in which every element fits harmoniously into a whole. It has now been fully revised and updated. With a wealth of examples and plans, including three-dimensional sketches, he sets out the general principles of garden design and guides you through the process of assessing the plot, finding a style and choosing every garden element, from paths to planting. The book shows a full range of types, materials and styles for every garden detail and advises on suitability for different garden situations, how to design and construct them and how best to place them. Straightforward explanation, professional experience and clear illustrations make this an invaluable handbook.

Williams writes in a straightforward and friendly way... the many drawings and photographs contribute to the sense of plentiful choice and possibility. Ham High About the Author Robin Williams is an eminent garden designer and co-founder of the College of Garden Design. He has designed well over a thousand private gardens, including Gold Medal-winning exhibition gardens for the Chelsea Flower Show. He lectures on garden design in Great Britain,

Europe, Japan and the USA. To visit Robin Williams' website [click here](#)
