Five StarsBy Penny BWell done0 of 0 people found the following review helpful. The Homeowner's DiaryBy Lifetime ReaderThis is a great "in your hand" tool. This would be a great book for

people buying, selling or just maintaining a home. I will be purchasing more than one. Great resource.

A complete diary for your home. Great source for keeping and organizing all your information in one place. Space for your notes and photo's. Keep track of your renovations, taxes, and even outdoor plants. A helpful aid for selling or buying. Makes a great Housewarming gift!
